Pedestrian Fatally Struck in Wallingford

On August 22, 2022 around 9:02pm, officers responded to a car accident on Old Colony Road where a pedestrian was struck. Upon arrival, officers located a white female between the ages 45 and 55 with severe injuries. She was transported to Yale Hospital where she was pronounced deceased. The female's identity is currently unknown. Nobody was criminally charged in connection with the crash at this time.

The preliminary investigation revealed that a 2020 Mazda CX-30 was traveling southbound on Old Colony Road when it struck a pedestrian who was located in a dimly lit section of the southbound travel lane. The operator of the Mazda remained on scene and is cooperating with police. Speed did not seem to be a factor in this collision and the operator was not suspected to be under the influence of any drug or alcohol.

This case is being investigated by the Wallingford Police Traffic Division. Please contact them at (203) 294-2815 with any information.
