Wallingford Police Conduct DUI Checkpoint

On September 04, 2021, members of the Wallingford Police Department Traffic and Patrol divisions will conduct a DUI Checkpoint on a local or state roadway within the Town of Wallingford. Funding for this effort has been made available by the police department's participation in a State of Connecticut Department of Transportation Highway Safety DUI Enforcement Grant. This funding supports the staffing necessary to allow Wallingford Police Officers to specifically dedicate our efforts on DUI enforcement in a continual endeavor to reduce alcohol related accidents and the resulting injuries and fatalities. The minimally intrusive sobriety checkpoint is designed to identify and remove from the roadway those drivers who are impaired by alcohol and drugs.
