## Tik Tok School Shooting Threat

On December 16, 2021, there were numerous posts on social media, particularly on Tik Tok, claiming that there would be school shootings or bomb threats at schools in the United States on December 17, 2021. There are no specific schools or locations listed and no direct threat to Wallingford Schools was made.

The Wallingford Police Department is working with our other Law Enforcement partners at this time to investigate the issue further and we will be continually monitoring the situation. An increased police presence can be expected this afternoon and tomorrow at all Wallingford Public Schools.

If you have any further information or see/hear something suspicious, please contact us immediately at (203)294-2800.
