Press Release

Lieutenant Anthony DeMaio
Traffic Division
November 23, 2020

Due to the “Santa Clause is Coming to Town” car parade event sponsored by the Wallingford Public Celebrations Committee, Wallingford Parks and Recreation, and Wallingford Center Inc., and pursuant to Chapter 216 of the Wallingford Town Code, the following road closure and parking prohibitions will be in effect for all vehicular traffic:

Road Closures as follows:

- **South Main Street** will be closed to all motor vehicle traffic between the intersection of Center Street and the intersection of Prince Street, on Saturday December 05, 2020 between 2:00 PM and 7:00PM.

Parking prohibitions:

- Parking prohibitions will be in place on both sides of South Main Street between Center Street and Prince Street, and the entire length of South Main Street along its eastern curb line between Prince Street and South Elm Street at the above noted date and times in anticipation of the road closure and car parade queue. Please be reminded that vehicles parked in violation of this prohibition will be subject to the issuance of a parking ticket by police and removal by tow truck.

Attendees:

- The Police Department would like to advise attendees that this event is a vehicular parade, and at no time should attendees exit their vehicles when inside the event area. Vehicles attending are to line up along the eastern curb of South Main Street, heading in a north bound direction, and will enter the event at the intersection of South Main Street and Prince Street. While in line, please have your vehicle hazard lights activated. We encourage attendees to enter from points south, such as South Main Street at South Elm Street, and drive northward until you encounter vehicles in line along the curb with hazards on. We would like to remind attendees to be courteous of one another and not attempt to cut the line, and be mindful not to block the intersections of side streets while in line.

Rain Date:

- The Rain Date for this event will be Sunday December 6, 2020 with all the same criteria.
