****Assault on a Police Officer Arrest****

On August 27, 2025, at approximately 7:30 PM, Wallingford Police Officers were dispatched to On-Trak Karting, located at 984 North Colony Rd., in response to an emergency complaint about an intoxicated individual arguing with employees and behaving aggressively toward patrons. Upon arrival, officers located Tevin Robles (DOB:4/12/97), who initially charged at the responding officer's cruiser.

Robles, who is currently on probation, was uncooperative with the officers and attempted to leave the scene while they were speaking to him. As the officers tried to gain control of the situation, Robles continued to resist and physically struggled with them. During this struggle, a Wallingford officer sustained a broken tibia and fibula and had to be transported to the hospital where surgery was required to repair the injury.

Robles remained uncooperative and caused further damage by kicking out the window frame of the police cruiser's prisoner compartment. He was eventually transported to the Wallingford Police Department for processing, where he continued his noncompliance. Robles was charged with Assault on Public Safety Personnel, four counts of Interfering with an Officer, Breach of Peace in the Second Degree, and Criminal Mischief in the First Degree.

Robles was issued a court date of September 16, 2025, at 9 AM at Meriden Superior Court and was held on a \$150,000 cash or surety bond.
